# Online Learning Resources for Parents and Students

Please note that not all teachers/classrooms use all of the resources below.
Contact your child's classroom teacher with any questions.
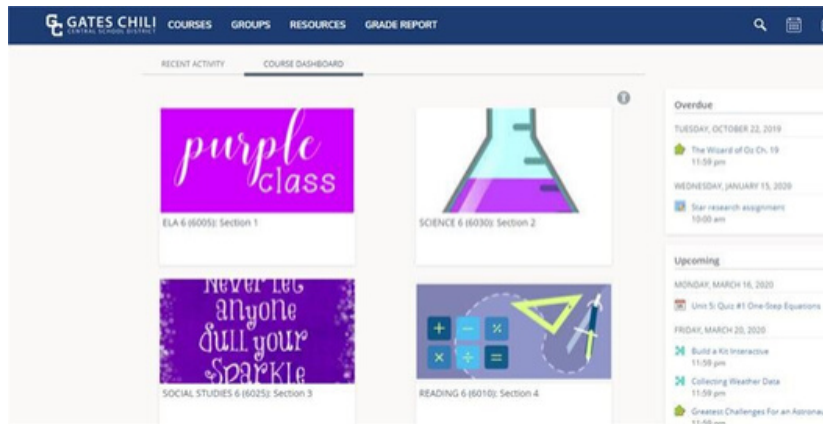

CLASSLINK

Provides all-in-one access to digital instructional tools and resources for students to continue their learning. Some resources would include eBooks, audiobooks, video education and other tools teachers use in the classroom. Students sign on and access ClassLink using their assigned username and password.

**Access all of these programs and apps at: gateschili.org/ClassLink**

SCHOOLOGY

Brings together assessment management to improve student performance, foster collaboration and personalized learning. Teachers and students use to post files, links, create class discussions and more. Students access this program through ClassLink and teachers have the option of using this tool in the classroom.

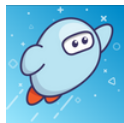

OFFICE 365

A suite to create/write in a Word document, present information in PowerPoint or Sway, save files in OneDrive and have students use a digital notebook in OneNote.
