TESTIMONIALS

"I started part-time when my son was 5 months old. When he started school, it was nice to have all vacations and holidays off to be with him. Now that he has graduated, I still drive because I love the kids." --John B., Bus Driver

"I enjoy my job just as much as I did when I first started at Gates Chili 17 years ago. Seeing the smiles on students' faces as they head to school is priceless." --Kathy M., Bus Driver
