Gates Chili offers an escalating daily rate for substitutes. The longer you're with us, the higher your daily rate.

COLLEGE CREDIT

College students can earn paid education experience through the Teacher Immersion Fellows (TIF) Program.

TESTIMONIAL

"I just love Gates Chili as a district to live and substitute in! There seems to be a high focus on serving the needs of every child in their own unique way. The office staff are welcoming and well-organized. The teachers are easily accessible to assist others. Administration is visible and friendly throughout the buildings. The children are respectful and knowledgeable of rules and procedures. The buildings are bright, cheery and child-friendly." --Teresa F., Substitute Teacher
