

Dear Parent/Guardian of student,

This report summarizes a student's performance on the New York State Testing Program English Language Arts Assessment (ELA). The test score provides one way to understand student performance; however, this score does not tell the whole story about what this student knows and can do. The results from the Grade 3-8 ELA and Mathematics Tests are being provided for diagnostic purposes and will not be included in a student's official transcript or permanent student record.
