

Dear Parent/Guardian of Student,

This report summarizes their performance on the New York State Testing Program Mathematics Assessment, administered in the spring of 2023. The test score provides one way to understand student performance; however, this score does not tell the whole story about what they know and can do. The results from the Grade 3-8 ELA and Mathematics Tests are being provided for diagnostic purposes and will not be included in their official transcript or permanent student record.

SUPPORTING SUCCESS

Contact your student's teacher and ask which skills are the most challenging.

Ask your school how you will receive regular reports on their progress.

If appropriate, seek student support services such as counseling or school guidance to help them be most successful.

Review classwork and homework with your student to see how their skills are progressing.
