Dear Gates Chili Families,

Gates Chili Athletics is pleased to announce that we will continue to offer the convenience of online registration through FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our athletic programs. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple programs. Your information will be saved for the next sports season so all you must do is answer a few updated health questions, and electronically sign to give permission for your son/daughter to participate in each season.

We will start accepting registrations 30 days from the start of your season. Refer to sport start dates on the reverse.
